

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Please support the Echostar DirectTV merger. I believe this will provide needed competition to cable. Channels like BYU-TV were first available on Dish and later on DirectTV. Only much later were they available on cable in only a few select markets. I believe the merger is the only way that there will be a large amount of HDTV content available nationwide.

Sincerely,
